

## Freshair

## Blue Café

You decide to live,  
when you have a dream.  
You decide to be  
beautiful and free  
like fresh air tonight, like fresh air tonight.

You decide to live,  
when you find the love.  
You decide to be  
beautiful and strong

Love resurrection  
is all I need in my life.  
Let's make a connection  
between you and I.  
I need a direction  
leading straight to your heart.  
Love and affection.

If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!  
If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!

What're you waitin' for?  
Come on, let's go!  
Shoot me with your love.  
Yeah, can you feel the love  
like I feel the love, honey?  
This is love, can you feel the love?  
Now I feel the love  
and it's like fresh air to me!

If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!  
If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!

If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!  
If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!

If you love,  
you wanna reach the sky.

If you love,  
you wanna fly so high!  
If you love,  
you wanna reach the sky.  
If you love,  
you wanna fly so high!
