

Get High

Blue Café

Nothing can sober me up...when I'm high...

I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high

Drunk on love
feelin' so high
Damn I know we're gonna cross that line
turn me on - on...
I want more
set me on fire
I wanna fall right into your arms
your arms - now!

I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high

Drunk on love
I feel you now
touch my body till I make that sound
ohhh...ohhh...
Do it slow
that's what I like
when you're in me baby I wanna die
wanna die - die!

I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high

I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high
I, I wanna get high
I wanna get high

I, I wanna get high
I wanna get high
Bring me the love tonight
I wanna get high
I wanna get high

I, I wanna get high
I wanna get high
Bring me the love tonight
I wanna get high
I wanna get high

I wanna get high...
