Blue Café

What is right and what is wrong...  
They are drunk with the morning delusions...  
Please, hear my English words of truth...  
Let the might of your compassion arise to bring a quick end..  
In the ocean of joy...

Let me take you to the place  
Where the drama goes away  
Happy days can drown the pain  
In the ocean - of freedom, love and faith

I can't wait to see the rain  
Feel the sunlight on my face  
I will spread my wings today  
And tomorrow - will never be the same

I will let my spirit fly  
Feel the harmony inside  
I can make it if I try  
I'll be waiting - until the end of time

I can't wait to fall in love  
Cause I've waited long enough  
And I know that it will come  
Like a new day - my life has just begun...
