

Reflection

Blue Café

Reflection of a love
Over time ohhh
Shows the joy
And the beauty
Of life

Reflection of a love
Over time ohhh
Reflection of a love
In my life

Life... I love you and hate you
I cry... when I can't seem to get by
I... see good in what you do
So I... will be fine

Reflection of a love
Over time ohhh
It fills those empty spaces
Deep inside (hey)

Reflection of a love
Over time ohhh
Shining bright as the stars
In the sky

You know why
I'm hanging on
All the while
It's breaking me, breaking me
Ohhh
You know why
I rise and fall
Standing through it all

Life... I love you and hate you
I cry... when I can't seem to get by
I... see good in what you do
So I... will be fine

What You do, Still love You
I don't care, I don't care
What You do, Still love You
I don't, I don't, I don't care

Life... I love you and hate you
So I... will be fine
