Close your eyes and try to sleep Sleep sleep tight Cause I know youDre feeling weak So sleep now

Every tear of yours Fight it with your love

Share your love
With me
Share your love
With someone whoos in need
Share your love
DonOt weep
Share your love
You gotta fight to live

There□s no need to be afraid I am here for you All the pain will go away

Open your eyes Look at me don□t weep now

Cause I know that you can speak to me now

when the tears will flow when you \Box ll feel alone

REF:Share&

there so no need to be so sad we are here for you
