

# Satisfaction

Blue Cheer

I can't get no satisfaction  
I can't get no girly action  
But I try, oh I try, oh I try, oh I try  
I can't get me no, I can't get me no

When I'm driving around the world  
And I'm doing things like I'm trying to shake  
Like I'm trying to make some girl  
Baby said, "Baby, come back, maybe next week"

Oh, can't you see I'm on a losin' streak?  
I can't get me no, no satisfaction  
I said no, no, no

When I'm watchin' my TV  
And a man comes on and tells me  
How white my shirts can be  
But he can't be a man 'cause he doesn't smoke

The same kind of cigarettes as me  
I can't get me no, can't get me no feel good  
I can't feel alright now, I can't feel alright  
I can't feel pretty good

Just another fraction, I need some satisfaction  
Just a little satisfaction, feel it make me feel good now  
Another fraction just a little satisfaction  
Just to make me feel good now

You gotta give me  
You gotta give me satisfaction  
Gotta get some satisfaction  
Gotta get some satisfaction

When I'm drivin' in my car  
And a man comes on the radio  
And he's talkin' more and more  
About some useless information

Supposed to drive my imagination  
I can't get me no, no satisfaction  
Said, I can't get me no, no satisfaction  
No satisfaction, no satisfaction, no satisfaction

Said, I can't get me some, you gotta gotta get me some  
You gotta get me satisfaction, just a little satisfaction  
Just a little satisfaction  
(Satisfaction, satisfaction, satisfaction)  
Satisfaction, satisfaction)  
(Oh yeah, ha ha ha ha ha)

Hey, just a little satisfaction that's all I need  
Just a little satisfaction that's all you need  
Just a little satisfaction  
Hey, how would you like a little satisfaction?
