

Don't Blame My Eyes

Blue Foundation

Don't blame my eyes
I know it's hard
To face a lie
Don't blame my eyes
It's just an obstacle
Floating by

Bade in the Alta
When the poor man left
When the sky was grey
You pursed your lips and it hurt
Oh, it hurts

Down the stairs
And out the gate
I hit the street
I crossed the state and it hurt
Oh, it hurts

Don't blame my eyes
I know it's hard
To face a lie
Don't blame my eyes
It's just an obstacle
Floating by

Bade in the Alta
When the poor man left
When the sky was grey
I pursed my lips and it hurt
Oh, it hurt
I ran for light
Through the woods
I passed that clown
Who screamed out loud
Your heart is gone
Oh, it's gone

Don't blame my eyes
I know it's hard
To face a lie
Don't blame my eyes
It's just an obstacle
Floating by
