

## Wiseguy

Blue Foundation

Surrender, wise guy.  
One day, I will rise and shine in the mornin' light.

(Four, five, eight)  
I tremble, wise guy.  
One day, I will rise and shine in the mornin' light.

Remember, wise guy;  
One day, I will rise and shine in the mornin' light.

Surrender, wise guy.  
One day, I will rise and shine in the mornin' light.

I tremble, wise guy.  
One day, I will rise and shine in the mornin' light.
