

# Chasing Rainbows

Blue Magic

I'm chasing rainbows  
She passed away and I was so afraid  
'Cause there was just no one else who cared  
Need someone to talk to, guess I'm feelin' I'm lost  
Find myself just runnin' away, chasing rainbows in the dark

And until the day the eagle flys  
I'll wait for you  
Until I hold you close again  
I'll pray for you  
Kick off my shoes  
And sing this song for you

Oh-oh, I'm just chasing rainbows  
And I ain't seen a star as bright as your smile  
I'm chasing rainbows  
Like a butterfly zooming through the sky

She loved fancy shoes and she would smile at me so cool  
And when she laughed it just made my day  
The days have turned to teardrops, falling colder than the snow  
And ups and downs are getting me down, it's no wonder that I'm cold

So until the day the eagle flys  
I'll wait for you  
Until I hold you close again  
I'll pray for you  
Memories of me  
Sing this song for you

Oh-oh, I'm just chasing rainbows  
And I ain't seen a star as bright as your smile  
I'm chasing rainbows  
Like a butterfly zooming through the sky

The only one for me  
Yes, I'll be running around  
Chasing rainbows  
Oh, here I go... (I'm chasing rainbows, I'm chasing you)

(Like a butterfly) I-I'm (zooming through the sky)

(Whoa-oh, I'm) And I finally found it's true (just chasing rainbows)  
Love no one but you, (I'm chasing you) so bad losing you  
(Like a butterfly) I-I'm (zooming through the sky)

(Whoa-oh, I'm) I... (chasing rainbows)...  
(I'm chasing you)  
(Like a butterfly) I-I'm (zooming through the sky)

(Whoa-oh, I'm) And I finally found it's true (just chasing rainbows)  
Love no one but you, (I'm chasing you) so bad losing you  
(Like a butterfly) I-I'm (zooming through the sky)
