

# Grateful

Blue Magic

At the end of everyday  
When the world is far away  
I run to you  
It's a world without a care  
When I see you standing there  
I ask myself

If I could think of just one word I will describe  
(A perfect harmony), you have given me  
Now that I've found you, it's so good to be alive  
(Forever for the rest), you chose me for the best

And I'm so grateful  
For all the love, you've given me  
So grateful  
You are my life  
You are my love  
You are my destiny  
And I'll always be in love with you  
I'll always be grateful to you

Out of all the love I find  
You have been just what I needed all the time (All the time)  
You have made me realize  
I can tell the world go on (go on, go on) and kiss goodbye

Cause everytime you hold me closer in your arms  
I feel just like a king  
High, high, high up on a throne  
I'll stand beside you, and will be your number one  
To there is no other find  
The stars fall down the skies

And I'm so grateful  
For all the love, that you've given me  
So grateful  
Cause you are my life  
And you are my love  
And you are my destiny  
I'll always be in love with you  
I'll always be grateful to you

And I'm so grateful  
For all the love, that you've given me  
So grateful  
But you are my life  
But you are my love  
But you are my destiny  
I'll always be in love with you  
I'll always be grateful to you
