

# Lady in My World of Love

Blue Magic

She's so good to me  
She's so good for me

She keeps the faith in me  
Caring for all of my needs  
Beside me everyday, every year  
Trusting in all of my schemes  
Believing in what I dream  
The lady in my world of love

She's the lady in my world of love (Lady, my lady, love)

Working so hard to help me (She's doing it, she's doing it)  
She's doing the best that she can  
Teaching me all about love (She's doing it, she's doing it)  
Oh, in her heart she cares

I'm feeling new love today  
Love in a special way  
Just satisfy and please, every need

She's the, in my world of love (She's the lady in my world, love)
