

Let Me Be The One

Blue Magic

Variety is the spice of life
So, why can't I be the one you call
When you need a change in love
I'll be the one that you need

When you need some kissin' and huggin'
Change from the same ol' lovin'
I'll be there to take his place
Just call on me
For what you need

Oh
Let me (let me)
Let me be the one you need
(Let me, be the one)
Let me (let me)
Let me, be the one you need
(You need)
You need

Reality is so hard to find
Let me make all of your dreams come true
If you give my love a try
You'll see that I live for you

If your woman's intuition
Says there's something you've been missin'
Then, a chance on romance might be what you need
Just call on me

Oh
Let me (let me)
Let me be the one you need
(Let me, be the one)
Let me (let me)
Let me, be the one you need
(You need)
You need

If your woman's intuition
Says there's something you've been missin'
Then, a chance on romance might be what you need
Just call on me

Oh
Let me (let me)
Let me be the one you need
(Let me, be the one)
Let me (let me)
Let me, be the one you need
(You need)
You need...
