

Purple Passion

Blue Magic

I can feel the passion, you can feel the passion too
I can feel the passion, you can feel the passion too

I love you with a purple passion (Passion, passion)
A color that you, you put in my head
I'm after you, with a purple passion (Passion, passion)
'Cause I play in your hair, you play in my bed
I'm after you, I'm so hot for you (Passion, passion)
I could not forget the color of love

Ohh the passion's ready, mhm
I just wanna squeeze ya, make you feel the passion
I wanna please ya, satisfaction, from the passion
Feel the passion, oh the passion
