

A Quiet Mind

Blue October

Cadd9 C Cmaj7
A7sus2 Am7 A7sus2 Am7

C
A slow strangle with feet on the floor
Em
I've got 14 angels and we're sleeping alone
Am
In the back of a cave, where the rest of us go
F
To feel normal

C
I call baby up. Leave me alone.
Em
I'm in pain but I won't let you band-aid the wound
Am **F**
I'm mad at a stage where I can't even handle my own

G **Am** **C**
Give me a quiet mind and I...

G
I love you

G **Am** **C**
You give me a quiet mind and I...

G
I love you

Until the end...

And the song goes on with the same pattern.
Good luck and have a great day.
