

# Congratulations

Blue October

Is that seat taken  
Congratulations  
Would you like to take a walk with me

My mind it kind of goes fast  
I try to slow it down for you  
I think I'd love to take a drive  
I want to give you something  
I've been wanting to give to you for years  
My heart

My heart, my pain won't cover up  
You left me.. hu hu hu hu  
My heart won't take this cover up  
You left me.. hu hu hu hu

I came to see the light in my best friend  
You seemed as happy as you'd ever been  
My chance of being open was broken  
And now you're Mrs. him.

My words they don't come out right  
But I'll try to say I'm happy for you  
I think I'm going to take that drive  
I want to give you something  
I've been wanting to give to you for years  
My heart

My heart, my pain won't cover up  
You left me.. hu hu hu hu  
My heart  
My heart won't take this cover up  
You left me.. hu hu hu hu

And I can't change this  
I can never take it back  
But now I can't change your mind  
(You left me)  
And I can't change this  
I can never take this back  
But now I can't change your mind  
can't change your mind  
(You left me)  
Can't change you mind  
(You left me)  
(You left me)  
(You left me)  
(You left me)

Go away  
Make it go away  
Please.
