

Conversation Via Radio (Do You Ever Wonder)

Blue October

You must be broken
By a thousand ways of wasting time
Get to the point
And off a hundred lines a week
No need to change my mind
A cleaner shade of thinking time
But I seem to act more than I act upon most things.

Do you ever wonder
How hard you hit?
You broke my thunder
Do you ever wonder
How hard you hit?
You broke my thunder

God made this night for me, a silly devil in my talking
Romantic company for walking. Over and out...Over and out...
This year is the year I want to be, that silly devil in me talking
Romantic company for walking. Over and out...Over and out...

Do you ever wonder
How hard you hit?
You broke my thunder
Do you ever wonder
How hard you hit?
You broke my thunder

I'm cramped and crawling from under the dead
I'm sick of living without you in bed
I've made mistakes that I wrote... That I read...
But now I just can't seem to be preoccupied
The heart was tossed with a black lace chain
With these hands that I write with
And the ode that I live by...
I will never be with you.

A scar was sewn
A drop of blood was saved for making wine
Still no repent
On how you crumble when I shake
A mental jaw was used
To pry me from this wrecking bond
The sad detail is all the promises I make

Do you ever wonder
How hard you hit?
You broke my thunder
Do you ever wonder
How hard you hit?
You broke my thunder
