

## Driver

Blue October

I guess we're standing right where we belong  
Wearing life like I have a loose t shirt on  
As slowly time plays I get in the way  
Like the things I'd love to do to you can't be good for the soul

We can go with the top down  
We're never gonna look back so we just drive  
Yeah, we just drive (Drive...)  
Yeah, we just drive  
So we just drive (Drive...)

Winding down the beach, you, me, sunset  
Hair thrown back, so wild I could never forget  
Like a picture taken, time stand still, can't look away  
Burning bright gold, orange, red so good for the soul

We can go with the top down  
We're never gonna look back so we just drive  
Yeah, we just drive (Drive...)  
Yeah, we just drive  
So we just drive (Drive...)

These are the times to remember  
Moments held in our hearts  
We've been smiling all day  
And driving into the stars  
So we just drive  
Yeah we just drive  
Yeah we just drive  
So we just drive
