

Hate Me

Blue October

G

1. I have to block out thoughts of you so I don't lose my head

Em

They crawl in like a cockroach leaving babies in my bed

Am

Dropping little reels of tape to remind me that I'm alone

D

Playing movies in my head that make a porno feel like home

2. There's a burning in my pride, a nervous bleeding in my brain

An ounce of peace is all I want for you. Will you never call again?

And will you never say that you love me just to put it in my face?

And will you never try to reach me? It is I that wanted space

G

R: Hate me today

Em

Hate me tomorrow

Am

D

G

Hate me for all the things I didn't do for you

G

Hate me in ways

Em

Yeah ways hard to swallow

Am

D

G

Hate me so you can finally see what's good for you

Am

D

*: And with a sad heart I say bye to you and wave

G

Em

Kicking shadows on the street for every mistake that I had made

Am

D

And like a baby boy I never was a man

G

Em

Until I saw your blue eyes cry and I held your face in my hand

Am

D

And then I fell down yelling "Make it go away!"

G

Em

Just make a smile come back and shine just like it used to be

Am

D

And then she whispered "How can you do this to me?"

R: Hate me today...
