

Hateme

Blue October

G **Emi** **C** **D**

G

I have to block out thoughts of you

so I dont lose my head

Emi

they crawl in like a cockroach

leaving babies in my bed

C

Dropping little reels of tape

To remind me I'm alone

D

Playing movies in my head

That make a p*o feel like home

G

There's a burning in my pride

A nervous bleeding in my brain

Emi

And ounce of pieces is all I want for you

Will you never call again

C

And will you never say that you loved me

Just to put it in my face

D

Will you never try to reach me

It is I that wanted space

G

Hate Me today

Emi

Hate me tomorrow

C

D

G

Hate me so you can finally see what's good for you

G

I'm sober now for 3 whole months

It's one accomplishment that you helped me with

Emi

One thing that always tore us apart

Is the one that I won't touch again

C

In a sick way I want to thank you

For holding my head up late at night

D

While I was busy waging wars with myself

You were trying to stop the fight

G

You never doubted my warped opinions

On things like suicide or hate

Emi

You made me compliment myself

When it was way too hard to take

C

So I'll drive so f*cking far away

That I never cross your mind

D

And do whatever it takes in your heart

To leave me behind

G

Hate Me today

Emi

Hate me tomorrow

C

Hate me for all the things

D

Emi

I didn't do for you

G

Hate me in ways

Emi

Yeah ways hard to swallow

C

D

G

Hate me so you can finally see what's good for you

C

D

And with a sad heart I say bye to you and wave

G

Emi

I'm kicking shadows in the street for every mistake that I make

C

D

Like a baby boy I never was a man

G

Emi

Til I saw your blue eyes cry and I held your face in my hand

C

D

And the I found I'm yelling make it go away

G

Emi

just make it stop and let it shine just like it used to be

C

D

And then she whispered "how can you do this to me?"

G

Hate Me today

Emi

Hate me tomorrow

C

Hate me for all the things

D

Emi

I didn't do for you

G

Hate me in ways

Emi

Yeah ways hard to swallow

C

D

G

Hate me so you can finally see what's good for you
