I have this feeling that my luck is none too good This sword here at my side don't act the way it should Keeps calling me its master, but I feel like its slave Hauling me faster and faster to an early, early grave And it howls, it howls like hell

I'm told it's my duty to fight against the law
That wizardry's my trade and I was born to wade through gore
I just want to be a lover, not a red-eyed screaming ghoul
I wish it'd picked another to be its killing tool

Black blade! Black blade! Forged a billion years ago Black blade! Black blade! Killing so its power can grow

There's death from the beginning to the end of time
And I'm the cosmic champion and I hold a mystic sign
And the whole world's dying and the burdens mine
And the black sword keeps on killing 'til the end of time

Black blade! Black blade!
Bringing chaos to the world we know
Black blade! Black blade!
And its using me to kill my friends
Black blade! Black blade!
Getting stronger so the world will end
Black blade! Black blade!
Forcing my mind to bend and bend

The black blade
Forged a million billion years ago
My cosmic sword goes on for eternity
Carving out destiny
Bringing in the lords of chaos
Bringing up the beasts of Hades
Sucking out the souls of heroes
Laying waste to knights and ladies
My master is my slave
