

# The Marshall Plan

Blue Öyster Cult

In a dark horse town, in the middle of the west  
Where friday takes so long to arrive  
Johnny wakes up dreaming turns on the radio  
The he jumps up plays his guitar in the mirror  
Starts his day with a rock and roll pose  
Tonight's the night that susie and he  
Are going to a rock and roll show

Tonight! I'm gonna see some rock and roll!  
Yeah, my favorite group is playing!  
Tonight! I'm gonna see some rock and roll!

Well it's showtime and he's caught up in the crowd  
He hates the crush but he loves the music loud  
He reaches out and susie's disappeared,  
Now johnny's standing on a corner after the show  
Looking for his susie dear  
But there goes his susie - in the band's limousine!  
Yeah, well that's the way it goes at these rock and roll shows

That's the way it goes - it's rock and roll  
That's the way it goes - it's rock and roll

Now susie's gone, and johnny hears the thunder  
As he rolls another number and he counts  
He counts the times he's felt himself to be the hero  
'cause ever since he was a boy  
He's heard about adventure  
As he looks into the mirror now he knows  
He must be the star and play guitar like thunder  
Find susie at his rock and roll show

Boy, if I only had a good guitar and a big amp  
Boy, it wouldn't be somebody else taking my girl away...tell ya  
I know what I should do...i'll put an ad in the paper  
Get a few other guys who want to play as much as I do  
Tell ya, I ain't playin' no surf music  
I'm gonna play some heavy music  
I'm gonna play bad  
I'm gonna play loud  
I know just what I want it to sound like  
It's gonna sound like...  
It's gonna sound like...

This is don kirshner  
And tonight on don kirshner's rock concert  
A new phenomenon in the music world  
With six million albums to his credit in just two short years  
My good friend, here's johnny!

Now johnny became a legend in his time  
Found it easier to live in pain  
Half a hero in a hard-hearted game  
Now it's showtime and he's caught up in the flow  
He hates the rush but he needs the music so  
Still he reaches out but susie's disappeared  
Well that's the way it goes at these rock and roll shows

It's rock and roll  
That's the way it goes - it's rock and roll
