

Crying Over You

Blue Rodeo

Cryin' cry cry over you
My tears keep fallin'
I'm still bawlin'
I'm just missin' you

'Cause ever since that day we parted
I'm deep down broken hearted
And that's why I keep cryin' over you

I can't believe the way you've been treating me
Just to bring me down and make me feel so blue
'Cause I remember when you were the sweetest girl
Told me that you loved me and you said goodbye
And that's why I keep cryin' over you

Cryin' cry cry over you
My tears keep fallin'
I'm still bawlin'
I'm just missin' you
'Cause ever since that day we parted
I'm deep down broken hearted
And that's why I keep cryin' over you

I can't believe the way you've been treating me
Just bring me down and make me feel so blue
'Cause I remember when you were the sweetest girl
Told me that you loved me and you'd said goodbye
And that's why I keep cryin' over you

Cryin' cry cry over you
My tears keep fallin'
I'm still bawlin'
I'm just missin' you
'Cause ever since that day we parted
I'm deep down broken hearted
And that's why I keep cryin' over you

That's why I keep cryin' over you
