

## Is It You

Blue Rodeo

Is it you I wonder  
And still it makes me laugh  
Is it you that I'm looking for  
Don't turn away so fast

And while you were talking  
Wide eyed I fell asleep  
Hoping tomorrow might be  
As sweet

Is it you who whispered  
Into my hazy soul?  
Is it you who makes the flowers bloom  
On the tenement windowsill?

In a hotel room a TV glows  
And songs are exchanged  
Drunkenly chasing the ghost  
Of eternity

There's a drunk on the sidewalk  
Trying to look unconcerned  
And the dead eyed motel blonde's  
Wait in line for their turn

Is it you who laughs  
When all the other dogs snarl?  
Is it you just because you listened for a while

With this buzz of electricity  
Still ringing in my ears  
I wonder is it you  
I wonder is it you
