### Blue States

These cities build up  
Leaving me high  
I'm watching it now  
Learning to cry

These cities build up  
Leaving me high  
I'm watching it now  
Learning to cry

Lately  
Can't believe it  
To be here again  
Be here again

These cities build up  
Leaving me high  
I'm watching it now  
Learning to cry

These cities build up  
Leaving me high  
(Be here again)  
(Be here again)  
I'm watching it now  
(Be here again)  
(Be here again)  
Learning to cry
