

## THE WAY YOU SMILE

Blue System

Sorry,  
I don't wanna make you cry,  
Where this love goes when it dies?  
Oh, I feel sorry,  
Baby, so sorry,  
I'm guilty,  
Oh, baby as I broke your heart,  
Oh, can we try a brand new start?  
Oh, I feel sorry,  
Yes, so sorry

I love the way you smile,  
Gimme one more try,  
Baby, I'm a prisoner of your heart,  
I love the way you smile,  
Can't you stay a while,  
Only until death do us apart

Sorry, I never want to say goodbye,  
Can you give us one more try?  
Oh, I feel sorry,  
Baby, so sorry,  
I'm guilty,  
Now, I know that you're the one,  
You're the one that makes me strong,  
Oh, I feel sorry,  
Yes, so sorry
