Sorry,

I don't wanna make you cry, Where this love goes when it dies? Oh, I feel sorry, Baby, so sorry, I'm guilty, Oh, baby as I broke your heart, Oh, can we try a brand new start? Oh, I feel sorry, Yes, so sorry I love the way you smile, Gimme one more try, Baby, I'm a prisoner of your heart, I love the way you smile, Can't you stay a while, Only until death do us apart Sorry, I never want to say goodbye, Can you give us one more try? Oh, I feel sorry, Baby, so sorry, I'm guilty,

Now, I know that you're the one, You're the one that makes me strong,

Oh, I feel sorry,

Yes, so sorry
