Baby, I will hurt you oh, come let me alone Heart is a heart and a home is a home Baby, I will find you, I will get you by phone Heart is a heart and a home is a home

If you fool me sister, drive me mad Under pressure, maximum sex

This old town ain't big enough, baby for the two of us It's the end of an old love odyssey This old town ain't big enough, baby for the two of us I will see you, I will hold you in L.A.

Baby, I will please you but you leave me alone Heart is a heart and a home is a home Baby, I will hate you in a danger zone Heart is a heart and a home is a home

Oh, you're so good sister, drive me mad Under pressure, maximum sex
