Blue

You ready Yo lets ride...c'mon...YoI was made for you  
You were made for me  
Everybody used to say  
We were meant to be  
I don't And that's all you ever really need to know  
I was made for you  
It's like a poison - just one cure  
You're my remedy - for sure  
There's an angel - at my door  
I don't wanna feel like this no more

I'm in the dark and you're my light  
I'm going blind and you're my sight  
I feel alive  
You set me free I hold you tight  
You're in my heart and I'm the knife  
I feel alive You belong to me  
Like I belong to you  
If you're not satisfied  
Tell me what I gotta do  
I think it's time we set the record straight  
Cause I want to know if I should be afraid  
Cause you belong to me It's like a poison - just one cure  
You're my remedy - for sure  
There's an angel - at my door  
I don't wanna feel like this no more

I'm in the dark and you're my light  
I'm going blind and you're my sight  
I feel alive (oh I feel alive)  
You set me free I hold you tight  
You're in my heart and I'm the knife  
I feel (I feel) alive (alive)

Yo break it down y'all, Yo

I'm in the dark and you're my light  
I'm going blind and you're my sight  
You set me free I hold you tight  
You're in my heart and I'm the knife (c'mon)  
I'm in the dark and you're my light (what)  
I'm going blind and you're my sight (what)  
You set me free I hold you tight (what)  
You're in my heart and I'm the knife (what)

I'm in the dark and you're my light  
I'm going blind and you're my sight  
I feel (so alive) alive  
You set me free I hold you tight  
You're in my heart and I'm the knife  
I feel alive (alive)

I'm in the dark and you're my light  
I'm going blind and you're my sight (you're my sight)  
I feel (I feel, I feel) alive (girl alive)  
You set me free I hold you tight  
You're in my heart and I'm the knife

I feel alive (alive)
