

## Dance With Me

Blue

I see you looking at me  
I can tell by your eyes that you're feeling me  
And I really want you to get close to me  
So won't you dance with me?

I can see you over there, just  
Chilling with your girlfriends  
Can't believe you're by yourself  
You should be here with me  
Chilling with me, drinking with me  
Freaking with me, whoa

I see you looking at me  
I can tell by your eyes that you're feeling me  
And I really want you to get close to me  
So won't you dance with me, dance with me?  
My drop top's in the parking lot  
And I wanna take you back to my spot  
But we still got a little more time to rock  
So won't you dance with me, dance with me?

I can see it in your eyes that you're looking at the time  
You wanna leave this party and I know you wanna leave with me  
To chill with me, to drink with me  
To freak with me, oh baby, yeah

I see you looking at me  
I can tell by your eyes that you're feeling me  
And I really want you to get close to me  
So won't you dance with me, dance with me? (Baby)  
My drop top's in the parking lot  
And I wanna take you back to my spot (Baby, oh)  
But we still got a little more time to rock  
So won't you dance with me, dance with me?

Yeah, you know it's Blue, bringing you another classic  
We're here to get you in the mood for some dancing  
Listen to that beat, yeah it be banging  
So let your body speak in that universal language  
Love the attitude, yeah I see you throwing glances  
You got me thinking you're the one I wanna hang with  
Just, just imagine us getting up to antics  
I've got a couple moves I've been looking to practice (Oh, oh, oh)

If you're sexy and you know it, clap your hands  
If you're sexy and you know it, clap your hands  
If you're sexy and you know it, and you really wanna show it, yeah  
If you're sexy and you know it, clap your hands (Baby, dance with me)  
Oh-oh

I see, I see  
I see you looking at me  
I can tell by your eyes that you're feeling me  
And I really want you to get close to me  
So won't you dance with me, dance with me?  
My drop top's in the parking lot  
And I wanna take you back to my spot (Baby, yeah)

But we still got a little more time to rock  
So won't you dance with me, dance with me?
