

# Endless Love

Blue

The first time I saw you  
I never thought I would catch your eye  
You look so amazing  
But you was beautiful deep inside  
I needed to know you  
I needed you in my life  
Something inside me  
Told me, "There's my future wife"

So I'm going down, down on my knees  
Afraid of the answer, of what it could be  
My heart's in a vault, and you are the key  
I wanna give you all of me

Don't you know  
You're so beautiful?  
Could it be too much to ask for your hand in love?  
Don't you know  
You're all I need and more?  
So would it be too much to ask for your endless love?

I woke up this morning  
As the luckiest man alive  
It's been like 10 years now  
And you're still by my side  
I gotta be honest  
I see our children in your eyes  
I've been thinking sometime now  
That you should, you should be my wife

So I'm going down, down on my knees  
Afraid of the answer, of what it could be  
My heart's in a vault, and you are the key  
I wanna give you all of me

Don't you know  
You're so beautiful?  
Could it be too much to ask for your hand in love?  
Don't you know  
You're all I need and more?  
So would it be too much to ask for your endless love?

I'm standing at the alter in a hot mess  
I see you walking down the aisle in that white dress  
You smile and look at me  
Now I can hardly breathe  
Yeah, baby  
We take the rings and now it's time for us to take our vows  
We're in our moment and we really do deserve this now  
And I could really cry  
As he says, "Kiss the bride"

Don't you know  
You're so beautiful?  
Could it be too much to ask for your hand in love?

Don't you know

You're so beautiful?  
Could it be too much to ask for your hand in love?  
Don't you know  
You're all I need and more?  
So would it be too much to ask for your endless love?
