

# Paradise

Blue

I used to attract travellers' wife  
It may sound weird but it's right  
Girl you just met me tonight  
I've known you all of my life

And it's you girl  
I've been around the world  
Searching to find you  
To let you know  
That we're in love  
In another dimension  
My time invention  
So come girl let's go

I'll take you to paradise  
In another lifetime together  
I'll take you to paradise  
Me and you here forever

So come girl let's go go  
Come girl let's go go  
Come girl tonight with us  
Come girl let's go go  
Come girl let's go go  
Come girl tonight with us

So baby open your eyes  
We gonna dance for tonight  
But when tomorrow has come  
Don't figure out forever

And it's you girl  
I've been around the world  
Searching to find you  
To let you know  
That we're in love  
In another dimension  
My time invention  
So come girl let's go

I'll take you to paradise  
In another lifetime together  
I'll take you to paradise  
Me and you here forever

So come girl let's go go  
Come girl let's go go  
Come girl tonight with us  
Come girl let's go go  
Come girl let's go go  
Come girl tonight with us

Let me take you to paradise  
Aly you down, take your body into overdrive  
You said you wanna go real fast  
You wanna Rockefeller with dame and dash  
Okay, put your foot on the gas

This will be the best ride you ever had  
Switching lanes, now I choose my path  
No worries, I can make it last

I'll take you to paradise  
In another lifetime together  
I'll take you to paradise  
Me and you here forever

So come girl let's go go  
Come girl let's go go  
Come girl tonight with us  
Come girl let's go go  
Come girl let's go go  
Come girl tonight with us

Come girl let's go go  
Come girl let's go go  
Come girl tonight with us  
Come girl let's go go  
Come girl let's go go  
Come girl tonight with us
