

Waste My Love

Blue

Breathe you in, breathe you out, longing for your touch
Fill my lungs any more and my bones get crushed
All I want is that we could grow older
But I only see you growing colder
Are you in? Are you out? Are you doubting us?

Ooh, I'll move the mountains if I
I get to get you by my side
Go ahead and take your time
Whatever you decide

Oh, I wanna waste, waste, waste my love on you
With every breath, you'd be the one I choose
And if after all I seem to fall way harder than you do
I'd still wanna waste, waste, waste my love on you
I'd still wanna waste, waste all my love on you

I'll be there, I'll be there when you're feeling down
Won't give up, won't give up, won't give up on this now
Even if you might be the death of me
I will take all the pain for you, I believe
Are you there? Are you there? Won't you hear me out?

Ooh, I'll move the mountains if I
I get to get you by my side
Go ahead and take your time
Whatever you decide

Oh, I wanna waste, waste, waste my love on you
With every breath, you'd be the one I choose
And if after all I seem to fall way harder than you do
I'd still wanna waste, waste, waste my love on you

I'll move the mountains if I
I get to get you by my side
Go ahead and take your time
Whatever you decide (Hey)

Oh, I wanna waste, waste, waste my love on you (You)
With every breath, you'd be the one I choose (Ooh, be the one I
choose, ayy)
And if after all I seem to fall way harder than you do
I'd still wanna waste, waste, waste my love on you (I wanna waste,
on you)
I'd still wanna waste, waste all my love on you
