Blueface

Blueface baby, yeah aight
Ayy, bitch

Get on the phone, call that nigga, act like you really miss him
Tell him to pull it up then duck, bitch, so we don't hit you
We all got poles in the whip like we goin' fishin'
Lemme take you on your first mission (First mission)
Play this on your first mission (First mission)
Boy, you better not miss on your first mission (First mission)

Don't leave the set 'til your clip empty
If you wanna gang bang, let that thang bang
If I get life, fuck it, I get to see the homies
Get my squad, we'll all get big off baloney
Shit ain't cool but fuck it, I did it for the homies
It's on? It's on then fuck it, give his ass corona
Don't get put on if you don't plan on going on one
One wrong move, all it take for me to go on one
Close that door, can't get in without your own gun
Pull up on him, there he go, we don't shoot bums
Parallel park, you know I'ma let the engine run
Better do your shit (Your shit), here the bird come
Meet me at the whip, this the scene, we can pair clips
You only bust once? (Huh?) We gotta go again

You gon' need this for your first mission
I ain't forget a thang, it was me and infant
We slid in the Benz, not no Expedition (What?)
17 seconds, it was expeditious (Expeditious)
We was in they hood like a transmission
Drip on my lip 'cause I caught him slippin' (Slide)
I'd be lyin' if I said I wasn't nervous (Whatever)
But we pulled up, parked, bounced out, perfect
Wait for my moment, five seconds, silent
Get out, boom! Then it got violent
Unsolved murder, I was always good at science
But I dropped out of school, got put on [?]
Fuck a tuition (Fuck it)
Trust my intuition (Fuck it)
Bitch, this crippin' (Crip)
Bitch, I got a body
Bitch, I got a million
I could put a bad bitch in a good position (Yeah, aight)
Bitch, wanna be my bitch? You gotta audition
Here go a hundred, gas up the bands for another mission

Get on the phone, call that nigga, act like you really miss him
Tell him to pull it up then duck, bitch, so we don't hit you
