

Bitches off the Instagram, I'm tryna get near you  
But bitch, your service weak as fuck, I can't even hear you  
Hello? Can't even hear you  
Hello?  
Get it from your mom  
Get it from your mom

Chuckin' up the deuces 'cause bitch, I'm the one  
Rap game changed, niggas toss like a drug  
Tryna get my nut then poof, bitch, I'm gone  
You's a little cute bitch, you must get it from your mom  
Get it from your mom (She must've got it from her mama)  
Shake that ass, lil' baby, yeah aight  
Get it from your mom  
Shake that ass, lil' baby, baby, baby

The set's too active so I brought my gun  
Y'all claim blood or cuz but that's my blood cousin  
Bitch, why you playin' like you don't want this lovin'?  
Big Trendd, baby, hot like an oven  
Bitch, where your mama?  
If you can't take the dick, what that mean?  
That you ain't been- fuck it, I'm too close to cummin'  
Lil' bitch throw it back, fat ass like we stunt the way she stuntin'  
Backflip, bitch hit the splits and then land on that dick  
I'm tryna see some ballerina shit  
And I see two lil' babies in the back right there  
Look like they on some Venus and Serena shit

Blueface, baby (Yeah aight), yeah aight  
Shake that ass, shake that ass (Pop it)  
Toot that shit up  
I bang the set whenever I'm bangin' a bitch  
So you know I had to throw it up  
She must've got it from her mama 'cause she goin' up  
Touchin' her toes like some laundry, I gotta fold it up, throw it up  
Bitch give me neck 'til she throwin' up  
She got the message, I ain't even call her back  
Tell these young bitches talkin', bitch  
Where your mama at? I give her good dick  
Like I owed her that, blowin' her back  
I could do a bitch cold and still get the bitch back  
Flip that, switch that, miss that, now the bitch big mad  
Give her that dope dick, yankin' her weave, givin' her whiplash

This bitch a fiend, pop up like a pill then she relapse  
Yeah aight, I don't fuckin' know, let me hear that
