

# Hocus Pocus

Blueface

Racketeering music  
DJ Kay Slay, the drama king  
Vibin' with the new generation of rap  
Blueface, A Boogie, Moneybagg Yo, come on

Hocus pocus, pull up with no chick  
Leavin' with your bitch, aye, aye  
Hocus pocus, pull up in a Ghost whip  
Leavin' when she blowed it  
Ah, nigga, listen here  
If I put you on a mission, make him disappear  
Ah, don't lose focus  
If you ain't got it on you, nigga, poke 'em  
Ah, we be wylin', yeah  
Don't you play with' me, boy, get you outta here  
And now you laughin', now you jokin', I'm focused  
If I ain't got it on me, I'ma poke 'em

Blueface, baby, yeah, alright  
We ain't fuckin' and I'm losin' focus, hocus pocus  
Hit your block in a Ford Focus, over focused  
My Glock a thot, body's like a ho, cause  
Niggas gettin' popped for tryna poke us  
VVS, they say they bustin' more than the short bus  
Two dick, two fuck, blew up, too much  
You niggas rap like a lollipop 'cause you suck  
I was number one 'cause I was too much  
When your dog ain't nothin' to her, she get straight to it  
Ooh, this the famous Crip (Scoop)  
If I pulled up, then you know the bitch blew it  
Alright

Hocus pocus, pull up with no chick  
Leavin' with' your bitch, aye, aye  
Hocus pocus, pull up in a Ghost whip  
Leavin' when she blowed it  
Ah, nigga, listen here  
If I put you on a mission, make him disappear  
Ah, don't lose focus  
If you ain't got it on you, nigga, poke 'em  
Ah, we be wylin', yeah  
Don't you play with' me, boy, get you outta here  
And now you laughin', now you jokin', I'm focused  
If I ain't got it on me, I'ma poke 'em

Kay Slay, what's up?  
Too many rings, I'ma need another pinkie  
I'm that one that makes your bitch disappear, Houdini  
She said she vegan, come and eat on my zucchini  
Big bag, big balls, bread game, no panini  
Hunchos, I got those, turn models to toss hoes  
I just did a magic trick, stick it like some Activis  
I'm unemployed, but got work in Chicago  
My niggas with the shit, bust your head for a half a brick

Hocus pocus, pull up with no chick  
Leavin' with' your bitch, aye, aye

Hocus pocus, pull up in a Ghost whip  
Leavin' when she blowed it  
Ah, nigga, listen here  
If I put you on a mission, make him disappear  
Ah, don't lose focus  
If you ain't got it on you, nigga, poke 'em  
Ah, we be wylin', yeah  
Don't you play with' me, boy, get you outta here  
And now you laughin', now you jokin', I'm focused  
If I ain't got it on me, I'ma poke 'em
