

# Kicc a Doe

Blueface

Fuck a ho, I need dough  
Kick her doe, where's the dough?  
Poured a fo', bleed the stove  
Then I go, then I go  
Fuck a ho, I need dough  
Kick her doe, where's the dough?  
Poured a fo', bleed the stove  
Then I go, then I go

Niggas say they with the bullshits  
'Til they meet a nigga who really with the bullshits  
Now they scared to ride, then they scared to slide  
Whatever for the dough, I never go broke  
I ever go broke? Then I'm kickin' doe  
Money or a hoe? You'd probably chose a hoe  
You niggas weirdos, we could never relate  
I'm fucking on the bitch, you taking her on dates  
We're getting paid to hate, I'm just in a foreign  
Sliding with a foreign, tell her when to go  
And the bitch goin'  
Early bird catch the worm, and you niggas snorin'  
Man, you niggas sleepin'  
I just popped a perc, got a nigga geekin'  
You niggas really tweakin', you niggas not pimpin'  
Nigga stop it, you niggas always poppin'

Fuck a ho, I need dough  
Kick her doe, where's the dough?  
Poured a fo', bleed the stove  
Then I go, then I go  
Fuck a ho, I need dough  
Kick her doe, where's the dough?  
Poured a fo', bleed the stove  
Then I go, then I go

I'm in traffic, I was leaving  
Things looking pretty capping  
Bitch I'm really magging  
These niggas really actin'  
180 for the ball  
Bitch I'm really trappin'  
Made these niggas boof  
Nigga, I'm the truth  
Crashing foreign coupes  
Catching too many cases  
I just killed the booth  
Oh  
Oh, oh, oh, oh (Man down)

Fuck a ho, I need dough  
Kick her doe, where's the dough?  
Poured a fo', bleed the stove  
Then I go, then I go  
Fuck a ho, I need dough  
Kick her doe, where's the dough?  
Poured a fo', bleed the stove  
Then I go, then I go
