

Do You Will?

Bluejuice

Things will be just as they are
Things will be the same
Things will be just as they are
Some things never change

Do you will? Do you will?
Does you good? Does you will?

Things will be just as they are
You are much the same
Riding on the upright downstairs
In your parents' basement

Do you will? Do you will?
Does you good? Does you will?

Things will be just as they are
Things will be the same
Annandale, Rozelle, Leichhardt
Newtown and Balmain

Do you will? Do you will?
Does you good? Does you will?

Things will be just as they are
Things will be the same
Things will be just as they are
Some things never change
