

# We Get It Right

Bluejuice

We major push  
Threw it on the last record  
Now we pushin' pushin' pushin' forward for the record  
Now we're making hip-hop  
Without the pretense  
Pretext, of premeditated bullshit  
To get you vexed  
We're not gangster  
We're little pranksters  
We made you reset your preset and your  
And we thank you too  
With the right, back, cat, trap  
Never gonna get ya

With the glitz and the  
Have to bring it back  
To the venue  
It takes what's new  
We'll demand you  
We paint some pictures, foul pictures  
We gon' flex in the chu  
Chit, cha, cha, chit, cha  
Awww!  
Three strikes you're out  
And I plan again the many bands that shouts in this  
lunatic  
Loonie lyricist you Looney Tunes on the loonie list

(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like

The next best to-flex technique  
Steppin' over MCs every time I speak  
Every time I rhyme (Yuh, yuh)  
I rip parables  
And even though I fell onstage, I'm infallible  
Awww!  
Sure 'nough I get stressed out  
Bad dandruff, stuffy rash on my chest ab, (Yuh, yuh yuh)  
Well, am I talking too fast  
I can rhyme on ice  
I can rhyme on grass, yo  
And I do what I do  
I get paid very little for it  
Sure, it's a metaphor  
Blind ambition and its part-side clues  
Rap rocky ritual hypnosis

All up in the surgery  
Wavin' the wash  
And I will not stop  
With about the cross  
If you've got a problem, I'm set to sort it  
Buzz bands, haircuts, and genital warts, it's like:

(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like

Hup, oh!  
Hup, come on!  
(Hup, oh!)

(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right!  
When we do it like  
(Hup, hup, hup, hup)  
And we get it right  
When we do it like
