

# Devil in You

Blues Saraceno

You got your gun  
You're such the bad, bad one  
Your time has come  
Your trouble has undone

Oh  
You got the devil in you  
Your heart is wild  
You're such the cruel, cruel child  
Your evil mind  
Can strike the wicked blind

Oh  
You got the devil in you

You got the devil in you  
You got the devil in you

Oh  
You got the devil in you  
Oh  
You got the devil in you  
You got the devil in you
