

Evil Ways

Blues Saraceno

It's been so long
Long hard days
They don't say
Gods change my ways
Change my ways
Those evil ways

So I set out
Cross that way
Strike them down
To make them pay
Change their ways
Their evil ways

But I can't hide
Oooooooo
And I won't hide
Oooooo Yeah!
My Evil Ways

I found out
The hate grow cold
The God rise up
Damn my soul
Cause I ain't change
Change my ways
I ain't change

So I won't hide
Oooooo
I won't hide
Oooooo
I can't hide Yeah!
Oooooooo
I can't hide HEY!
My evil ways

Well I can't hide
Oooooo
And I won't hide
Oooooo yeah!
Well I can't hide
Ooooo ouh!
Caus' I can't hide
My evil ways
