

Evil

Blues Saraceno

And I know it's true
That visions are seldom all they seem
But if I know you
I know what you'll do
You'll love me at once
The way you did once upon a dream

Well, well
What a glittering assemblage I see before me
How nice of you to put me on the guest list after all
The truth is, you don't know me

Evil
It wasn't something that I chose to be
I'm evil
It was a label that they placed on me
My chance at love was torn away
I never dreamed I'd be living life this way
That choice was never mine to make
'Cause I was forced to be evil
Evil (evil, evil, evil)

Never gonna find a way out of the darkness
Never gonna live a happy ever after
I had one chance
There's no romance
That dream is over
There's no more life if I can't find my inner evil
Now I can see that is my destiny
I'm evil
It is the only thing that sets me free
I live my life with no regret
I won't forgive, I never forget
If anyone stands in my way
I'm gonna make them pay
Evil (once upon a dream)

Evil (evil, evil, evil)
(Once upon a dream)
I'm evil
I'm evil
I'm evil
I'm evil

I know what you'll do, beasties

You'll love me once
The way you did once
Upon a dream
