

Hellraiser

Blues Saraceno

I
Got evil on my mind
I
Got trouble in these eyes
You see me walking, let me be...

I'm a hell... Hell Raiser
Bringing hurt to your door

It's a low down dirty deed
Misbehaving's what I need
You hear me knocking, Don't let me in...

I'm a hell... Hell Raiser
Bringing hurt to your door
I'm a hell... Hell Raiser
Worry and trouble are gonna come

I'm a hell... Hell Raiser
Bringing hurt to your door
I'm a hell... Hell Raiser
Worry and trouble are gonna come

I'm a hell... Hell Raiser
Bringing hurt to your door
I'm a hell... Hell Raiser
Worry and trouble are gonna come
