No Surrender

Blues Saraceno

I'm a killer
Stone cold Gangster
Straight up assassin
With a loaded gun
I'm a hustler
All American outlaw

A wannabe wise guy
That's on the run
I will take a life
Killer
No surrender
Gotta keep on runnin'
Killer
No surrender

Yeah I'm a rebel
Lone bank robber
A desperado
A hired gun
Yeah I'm a trigger man
International badass
A renegade streetcar
From a hit and run

Aaah in my sights
Killer
No surrender
Gotta keep on runnin'
Killer
No surrender
Gotta keep on killing

Save yourself
I'm riding down on you
To take it all away
Killer
No surrender
Killer
No surrender

Killer
No surrender
Killer
Gotta keep on killing
Killer
Killer
Gotta keep on killing
