

Ride It To The Edge

Blues Saraceno

Watch out
In my lane
Everybody get away
Hold On
Here I come
Running in to the red

I'm gonna ride
Ride it to the edge
I'm gonna ride
Ride it to the edge

Slow down
Running wild
Writings on the wall
Nine lives
Burning out
Gotta push it 'till I fall

I'm gonna ride
Ride it to the edge
I'm gonna ride
Ride it to the edge
