

I Can't Stand the Rain

Blues Traveler

I can't stand the rain against my window
Bringing back sweet memories

Hey, windowpane, do you remember
How sweet it used to be?
When we were together
Everything was so grand
Now that we've parted
There's just one sound
That I just can't stand

I can't stand the rain against my window
Bringing back sweet memories
I can't stand the rain against my window
'Cause she's not here with me

Whoa, empty pillow
Where her head used to lay
I know you've got some sweet memories
But like the window, you ain't got nothin' to say
I can't stand the rain
I can't stand the rain against my window
It just keeps on haunting me

I can't stand the rain against my window
Bringing back sweet memories
Hey rain, get off my window
'Cause she's not here with me

(I I I can't stand the rain against my window)
Since you been gone
She's not here with me
(I I I can't stand the rain against my window)
Since you been gone
You're not here with me
(I I I can't stand the rain against my window)
Do you remember
(I I I can't stand the rain against my window)
Since you been gone
(I I I can't stand the rain against my window)
She's not here with me
(I I I can't stand the rain against my window)
