

Keep Your Light on Mama

Blues Traveler

Keep your light on, Mama
'Cause I'm on my way

Keep your light on, Mama
'Cause I'm on my way

Gonna catch the first thing smokin'
'Cause I'm coming home

Keep your light on
Keep your light on
Keep your light on
Keep your light on

Going straight down the river
That where I'm better known

Going straight down the river
That where I'm, I'm better known
Gonna catch the first thing smokin'
Because I'm coming home

Keep your light on
Keep your light on

Mistreating Mama
Don't you let me down

Gonna catch the first thing smokin'
'Cause I'm coming home

Keep your light on
Keep your light on
Keep your light on
Keep your light on
Keep your light on
