

Tore Down

Blues Traveler

I'm tore down, almost level with the ground
I'm tore down, almost level with the ground
Well I feel like this when my baby can't be found

I went to the river just to jump in
My baby showed up and said, "I will tell you when"

When I'm tore down, I'm almost level with the ground
Well, I feel like this when my baby can't be found

You know I love you babe, heart and soul
Love like mine will never grow old
Love you in the morning and in the evenin' too
But every time you leave me, I get mad with you

Tore down, I'm almost level with the ground
Well, I feel like this when my baby can't be found

I love you baby with all my might
Love like mine is out of sight
I'll lie for you if you want me to
I really don't believe that your love is true

Tore down, almost level with the ground
Well, I feel like this when my baby can't be found

I'm tore down, almost level with the ground
When I'm tore down, almost level with the ground
Well, I feel like this when my baby can't be found
When my baby can't be found
