

# You Don't Have To Love Me

Blues Traveler

The world is coming to an end; it's gonna fall into the sea  
The ice caps are all melting but you're still mad at me  
And all your reservations will be washed upon the sand  
But you don't have to love me

Tonight I'll be your man  
Yeah you don't have to love me  
Cause tonight I'll be your man

Life in the Big Easy will probably never be that way  
Sweet Lucinda Williams takes the glory over the fame  
But you and I, we're dreamers; they're gonna catch us in the end  
But you don't have to love me  
Tonight I'll be your man  
Yeah you don't have to love me  
Cause tonight I'll be your man

If you don't love me  
You don't have to explain  
If you don't want me  
We'll just play this little game  
With everything that's going wrong  
Each day could be our last  
You don't have to love me  
You don't have to love me  
But tonight I'll be your man

But you don't have to love me  
Tonight I'll be your man  
Yeah you don't have to love me  
Cause tonight I'll be your man  
Yeah you don't have to love me  
Tonight I'll be your man  
Yeah you don't have to love me  
Cause tonight I'll be your man

Tonight I'll be your man
