

Explain

It's pointless to explain why
There's nothing I can say
My words would all be meaningless
Anyway
It seems I can't be trusted
And I don't disagree
What made you think I ever really
Wanted to be?
I can't explain why
And I don't know when
I'm ever going to want to
See her again
So don't ask why I came here
There's nothing I can say
I don't think I'll be staying very long
Anyway
I'm trying to find out why
I came here at all
I don't think it was to see you
After all
