

Maggie May

Blur

Wake up Maggie
I think I've got something to say to you
It's late September
And I really should be back at school
I know I keep you amused
But I feel I'm being used
Oh, Maggie I couldn't have tried anymore

You led me away from home
Just to save you from being alone
You stole my heart and
That's what really hurts

All I needed was a friend to lend a guiding hand
It's learning to a lover and
Mother what a lover and you wore me out
All you do is wreck my bed
And in the morning kick me in the head
Oh, Maggie I couldn't have tried anymore

You led me away from home
Just to save you from being alone
You stole my heart
I couldn't leave if I tried

I suppose I could collect my books and go back to school
I'll steal my dad's cue
And make a living out of playing pool
I'll find myself a rock n roll band
That needs a helping hand
Oh, Maggie, I wish I'd never seen your face

You made a first class fool of me
But I'm as blind as a fool can be
You stole my heart
But I love you anyway
